The highest-selling bull of the 2025 Edgar Brothers sale, this standout son of the widely admired War Cry commands attention with his exceptional phenotype. His complete design and eye-catching presence make him an instant favorite. This larger-framed bull is structurally sound, standing on a wide base with strong, well-formed feet. In person, he is nearly flawless—deep in his flank, full in his forerib, and packed with muscle while maintaining an impressive overall balance.

His dam is undoubtedly the top-producing female in the Edgar herd, and War Lord's full sister turned heads as the \$95,000 top-selling female in the same sale. War Cry progeny are consistently sharp-looking and high-performing, and War Lord follows suit. Expect him to enhance structure, eye appeal, performance, and size while boosting maternal traits and heifer pregnancy rates. Additionally, War Lord is a highly productive semen bull, delivering large collections early.
